**Pets Are Wonderful Support (PAWS)** is a volunteer-based organization that provides for the comprehensive needs of companion animals for low-income persons with disabling HIV/AIDS and other disabling illnesses, as well as senior citizens. By providing these essential support services, educating the larger community on the benefits of the human-animal bond, and advocating for the rights of disabled individuals to keep service animals, PAWS improves the health and well-being of disabled individuals and the animals in their lives.

Carly began working in San Francisco with 42nd St. Moon, the Lamplighters, Martuni's and Octavia Lounge at age 21, creating her first one woman show, *Bitter and Be Gay* in 2008. She went on to win the SF Cabaret Competition 2009 and debuted *Bewitched Bothered and Bipolar* in 2010. Her tribute show, *Somebody to Love: My Musical Tribute to Freddie Mercury* took her to New York. Carly also guest-starred in Terese Genecco's show at The Iridium Jazz Club in NYC! Ozard recently did her newest one-woman creation, *Something Wonderful?* in 2011 and has been in *Christmas In San Francisco* with Russ Lorenson and Friends since 2009.

Ozard's musical friends and influences who have accompanied her on her San Francisco journey join her in this one night only event benefiting Pets Are Wonderful Support. Cabaret, musical theatre, singer/songwriters and a special aerial performance will be featured!
